

Limited Warranty International

Applies to all new products manufactured by and delivered from Restech Norway AS.

Restech warrants to the original purchaser, that the purchased product is free from defects in material and workmanship on the date of delivery.

And if used, handled, maintained, and stored according to the manufacturer's recommendations, found in the usermanual, we fully warrant the full operation of the product for twelve (12) months from the date of the delivery.

If not, during this period, Restech will replace or repair the Product within 14 days after delivering the product either at Restech or one of our service stations. It will be replaced or serviced up to full functionality as intended for the product. After 12 months, a fee will apply for service and repair if not otherwise agreed.

If serviced by unauthorized personnel, this warranty is not valid.

The warranty does not cover cosmetic damage, misuse, abuse, improper operations, negligence, or modifications of the product. Neither consumables such as projectiles, lines, and line boxes after use.

To obtain the warranty, notice must be given to us or the dealer you purchased this product from without delay and latest 13 months after purchase. For claiming the warranty, you must give documentation of purchase or serial number if applicable. For any inquiries you may call +47 75542440 or mail to restech@restech.no. You will be given instructions on where to send your PLT Launching Unit for repair or replacement.

This limited warranty shall be governed by the laws of Norway.
